CITY AND COUNTY OF SAN FRANCISCO
REAL ESTATE DIVISION

July 1, 2002

To the Honorable Mayor, Supervisors,
Controller, and the City Administrator of the
City and County of San Francisco:

REAL PROPERTY OWNED BY THE CITY AND COUNTY OF SAN FRANCISCO

Pursuant to the Administrative Code, I have prepared and transmit herewith a report of property owned by the City and County of San Francisco, the Community College District, and by the San Francisco Unified School District.*

This edition of the Real Property Book presents our real property information in a new format. Currently this information resides on our city web page (www.sfgov.org/realest/). I want to thank Jeff Johnson of the Department of Telecommunications and Information Services for his assistance in compiling this information.

All real properties owned by the City are situated in San Francisco or in other counties in the State of California, as follows:

- Hetch Hetchy in Tuolumne, Stanislaus, San Joaquin, Alameda and San Mateo Counties.
- Water Department in Alameda, Santa Clara and San Mateo Counties.
- San Francisco International Airport, Sharp Park, Log Cabin Ranch School and County Jail in San Mateo County.
- Park and Library lands in Fresno and Kern Counties (Fuhrman Bequest).

Each year the Real Estate Division will complete approximately 150 projects on behalf of various departments. Several significant projects completed during the last year are detailed on the next few pages.

Respectfully submitted,

Marc S. McDonald
Director of Property

*NOTES:

Properties under the jurisdiction of the Port Commission do not include dedicated street areas, and the values shown are those carried on Port Commission inventory.

Areas under jurisdiction of the Department of Public Works do not include dedicated street areas in the City and County.

The College District and School District properties are based on historical records and may not reflect the current status.

The property book does not yet reflect the Mission Bay Land exchanges between City, Port, State and Catellus Development Corporation.

McLaren Park: In February 2002, the City acquired two vacant lots adjacent to McLaren Park in Visitation Valley to preserve as open space and provide access to a public hiking trail.

Crystal Springs Reservoir: In June 2002, the City acquired an additional 2.5 acres of Crystal Springs watershed land in San Mateo County. This acquisition assures protection of the City's drinking water from any adverse development.

Little Hollywood Community Park: Little Hollywood Community Park has graced the Visitacion Valley neighborhood for approximately 27 years. Its facilities include picnic tables, playground and a basketball court. Little Hollywood Community Park is comprised of approximately 57,250 square feet, which is a combination of City-owned and City-leased land. The Real Estate Division renewed the park lease in March 2002.

Disposition of Central Freeway Parcels for the Octavia Boulevard Project: The Real Estate Division, working in conjunction with the Mayor's Office of Economic Development, sold two parcels of the overall twenty-two Central Freeway parcels to the San Francisco Redevelopment Agency for development of affordable housing. Sale of the twenty-two parcels will fund the Octavia Boulevard Project. The sale of the two parcels contributed $5.7 million to the Octavia Boulevard Project.
